**PROGRESS EQUITY PARTNERS COMPLETES ACQUISITION**

Progress Equity Partners, Ltd. is pleased to announce the acquisition of ACC Landscape Services, LLC, a leading provider of commercial landscape and public infrastructure management services. ACC Landscape currently operates throughout Colorado and Northern California providing a diverse range of services to institutional, industrial, commercial and municipal customers, including outsourced road and park maintenance, general landscape services, irrigation management, snow/ice removal, and aquatic/lake management services.

ACC Landscape previously operated as a non-core asset of its corporate parent, American Civil Constructors, Inc. Progress Equity is proud to have successfully completed this carve-out transaction in partnership with the existing management team. Participating in the transaction with Progress Equity Partners and management were Harbert Mezzanine, Patriot Capital, and Texas Capital Bank. Strong financial partnerships such as these have enabled Progress Equity Partners to remain an active investor despite the current credit markets. In the last 10 months, we have completed 3 acquisitions and we continue to actively seek new opportunities.
