Progress Equity Partners completed its investment in American Exteriors Holdings, LLC in partnership with the Company's founder, Larry Meadows, who remains a significant shareholder and will continue his long term leadership of the Company in his role as CEO. Additional financing was provided by CapitalSouth Partners.

About Progress Equity Partners, Ltd.

Headquartered in Dallas with offices in Denver and a presence in Fort Worth, Progress Equity Partners, Ltd. is a private equity investment firm that invests in well-managed, entrepreneurial, middle market service-based businesses. The principals of PEP have been making direct equity investments in partnership with founders and owners to take their companies to the next level since 1993 and are particularly successful in providing entrepreneurs the opportunity to gain liquidity while positioning their business for future growth. Progress Equity's specific expertise lies in our proven ability to transition entrepreneurial companies into professionally managed organizations.
